"AN EDUCATION FOR A LIFETIME"

**PRINCIPAL: MRS C.A. JANSE VAN RENSBURG**

Welcome to Valmary Park Pre-Primary School and thank you for making enquiries about our long-established and excellent facilities.

**OUR AIM**

During this first year of the Foundation Phase is to prepare your child as fully as possible for formal education in an informal, child orientated learning environment, which is also a supportive and informative forum for parents.

OUR HOLISTIC educational program meets the requirements of the Curriculum and Assessment Policy Statement which is followed in all schools. It provides phase appropriate instruction, and continuous assessment of all vital developmental aspects of your child, including MATHEMATICS, HOME LANGUAGE AND LIFE SKILLS.

**Please note: the language of instruction is English.**

Our learners are encouraged to think critically and divergently, to cope independently and to solve problems in a creative way. All of this is achieved by means of a DYNAMIC and FUN-FILLED Daily Program presented by a FULLY QUALIFIED and HIGHLY EXPERIENCED teaching staff.

- **Valmary Park is fully equipped both indoors and outdoors**
- **All outdoor free play is supervised by our Outdoor Educator.**
